EXECUTRAX

## SQL 11.16.0914 and 11.12.0914 Release Notes

Enhancements

New CASS Files

New address standardization files

*Setup adjustments: The upgrade will automatically update you to the new CASS files. If you use CASS, we do recommend going to **File – CASS** and selecting **All** under **Process** and **Continue** to get all your addresses updated.*

Updated ExecuTrax Version to Expire 9/15/2026

While this upgrade does extend your ExecuTrax version for a year, upgrades can be released during that year for ExecuTrax SQL, and you will be alerted when they are available both within ExecuTrax and on the Daily Update Results emails.

Additional Modifications

New Marquis SFTP

Marquis has a new SFTP site. Contact Marquis Support at 888-884-5388 to get set up with the new site and credentials. The new credentials are required to send and receive data with Marquis.

Version Check

Ever wonder what version you are on? Simply click **Help – About ExecuTrax**. For Version, if it doesn't end in 0914, click **Help – ExecuTrax Upgrade** to locate the latest upgrade available for downloading. ExecuTrax upgrades do need to be run on the ExecuTrax server.
